Adult Captains' & Players' Code of Conduct

SELECTION

Adult Team selection is held every Monday or Tuesday evening at the club at 20:00. ALL captains are expected to attend. In any captain's absence, the team's vice-captain may deputise. Selection is based on a captain's view of a player's recent performances, the player's development and future potential, as well as the balance of the side.

The team sheet will be compiled during selection and passed to the club administrator that evening for distribution via email the following day by 13:00 where possible. (This includes umpires, scorers, caterers, non-playing and other members). If any player has any issues regarding their selection then they should speak to the captain they last played for.

PLAYERS' RESPONSIBILITIES

Selected players will play in the side they are selected for without reservation and they should meet promptly at the appointed time.

Your availability must be passed to any captain or vice-captain by Monday afternoon or via the club's website by 15:00 on the Monday.

All playing members (and umpires, scorers, caterers and non-playing members) must ensure that the club administrator has a valid contact email address in order to send members the team sheet(s).

Cry-offs should be kept to a minimum and MUST BE communicated directly to the relevant team captain only by telephone as soon as possible. Leaving messages on any answer-phone is not acceptable. If in the captain's opinion any player cries off unnecessarily, the player will not be selected the following week for that team.

If a player drops out through injury, or other reason, then he should also communicate to the captain he last played for as to when he might next be available to play.

If any available player has not received his team sheet by email by Thursday evening, he should contact any team captain by telephone.

Players who represent the club in league fixtures are expected to wear 'Sutton CC' club shirts and caps. In leagues where fixtures are played wearing, 'coloured uniform,' (Surrey Trust League) the club will provide appropriate colour clothing in club colours to those players selected to represent the club.

CAPTAINS & CLUB RESPONSIBILITIES

All captains and vice captains are expected to complete an ECB DBS check. Captains should take care to contact players personally when selected for their team for the first time.

No player should be dropped more than one eleven from where they were last selected unless in exceptional circumstances and these should be explained to the player in person.

Any change of venue or meet time should be notified personally by telephone and not via email.

Captains should confirm with the administrator the correct venue and start time for forthcoming matches.

Captains should endeavour to contact “regular” team members that are dropped from their side by telephone before the team sheet is sent out. If more time is required regarding this, or any other issue, then the club administrator should be informed.

MATCH DAYS

Captains should collect match fees via the SLATE app, if any cash is collected, please pass onto the Club Treasurer, catering, umpiring and scoring expenses will be paid by the club. Team Match Fees are due in ALL games with the exception of adult 20/20 fixtures.

It is the captain's responsibility to communicate the result to the league (as per league rules).

The club administrator will upload all results to the relevant websites (as per league rules).

The changing rooms and score box should be left clean and tidy and the keys returned.

Captains should ensure that availability is taken following all weekend matches.

Where no scorer is available (usually away games) the captain must ensure that the score book is completed IN FULL (including the opposition stats) and passed to the administrator as soon as possible.

Any umpires reports/match cards must be completed and sent by post as soon as possible (as per league rules).

ANNUAL SUBSCRIPTION & MATCH FEES

For each adult match, the appropriate team match fee is to be collected by the captain and deposited to club funds. For **each colts match**, the appropriate team match fee is to be collected by the manager and deposited to club funds.

Annual subs are due in full by 31 May 2019 and should if possible be paid online to Sutton Cricket Club (Sort Code: 20-84-20; Account no: 90089591; A/C: Sutton Cricket Club) with a standing order option available (full details available on website).

If paying by three or more equal monthly instalments, the first payment must be received by 31 May.

Fees that are not paid in full, or if a payment plan covering three or more equal monthly instalments is not in place by 1 June 2019 (in addition to the first payment paid in full) will automatically preclude selection.

For new members or those returning from university, fees that are not paid in full, (or at least by a mandate covering equal monthly installments not in place by 1 June 2019 or 3 weeks after their first game for the club, whichever is the later,) will automatically preclude selection. For example, if first game takes place on 19 April, subs are due 1 June; if first game takes place on 17 May, subs are due 7 June (in addition to the first payment paid in full.)

For those members joining after 1 July, a pro rata membership rate may be available. Please discuss with the membership secretary.

TRAINING/NETS

Senior nets/training sessions take place on Thursday evenings from 5.30pm. The sessions are open to all club playing members; and to the U13 age group and above who play/intend to play, senior cricket.

Sutton Cricket Club - Colts Code of Conduct

As a Colt member of Sutton Cricket Club, you are expected to abide by the following rules:

I will:

- Play within the rules and spirit of cricket & respect officials and their decisions.
- Respect my opponents.
- Keep to the agreed timings for training & competitions or inform my coach or team manager if I am going to be late.
- Wear suitable kit – in particular helmets & protective gear when and where appropriate – for training & the Sutton CC official club shirt for matches, as agreed with the coach/team manager.
- Pay any fees for training or events promptly.
- Will listen to, & follow the instructions of, the Club coaches and team manager.
- Not consume alcohol or any banned substances (including cigarettes) on Club premises or whilst representing the Club at competitions.

Parents/Carers Code of Conduct:

As a parent/carer, you have a very important role to play in your child's development within cricket. We ask all parents/carers to encourage their child(ren) to adhere to the Colts Code of Conduct and follow the Parents/Carers Code of Conduct below:

Always:

- Encourage your child(ren) to learn the laws & 'Spirit of Cricket' & to play within them.
- Discourage unfair play & arguing with officials.
- Help your child(ren) to recognise good performances, not just good results.
- Be a positive role model by recognising fair play & applauding the good performances of all.
- Publicly accept officials' decisions.
- Refrain from voicing advice/instruction to your child during coaching sessions or matches
- Support your child(ren)'s involvement & encourage them to enjoy their sport.
- Use correct & proper language at all times.

Never:

- Punish or belittle a child for losing or making mistakes.
- Interfere in or enter a coaching session unless specifically invited by the coach.

Club Photography/Videeing Policy:

Sutton Cricket Club will not permit photographs, videos or other images of Young People to be taken or used without the consent of the Parent/Carer or Young Player. The Club will follow the guidance issued by the England & Wales Cricket Board on the use of images of Young People which is available at: www.ecb.co.uk The Club

will take steps to ensure that all images are used solely for the purpose they are intended, i.e. the promotion and celebration of the Club's cricketing activities. If you become aware of any images being used inappropriately you should inform the Club Welfare Officer immediately.

If photographs are published on the Club's website www.suttoncricketclub.com and/or the club's other published media, or submitted to the press, individuals will not be identified. In circumstances where there is a need to identify an individual player in the Press, parental/carer permission will be sought beforehand.

The Club understands that there are circumstances under which a parent/carer would not wish their child to be photographed. Whilst the Club will do all that it can to ensure the safety of children during games, it is the responsibility of the parent/carer concerned to ensure that, if necessary, their child is not videoed or photographed. The Club is unable to supervise individual children during cricket activities or competitions.

Sutton CC – Welfare Officer

Sutton CC has adopted the ECB's Safe Hands policy for the welfare of young people in Cricket. This is a "good practice" policy document prepared by the ECB in conjunction with the NSPCC. As such, an experienced nurse with over 25 years' experience in the NHS has been appointed as the club's Welfare Officer.

Julie Hesketh has considerable experience of Child Protection practices within her current role as a Chief Nurse in Richmond. She will frequently be about when the colts are on site.

The Safe Hands Policy sets out guidelines for the way the club manages its young people. It's mainly for coaches and adults to understand that are directly involved with our young people. Members are aware that we have a policy and procedures are in place to protect our young

people – together with the adults who give so much of their free time to manage and coach them.

All Cricket Clubs within Surrey are required to appoint a full trained Welfare Officer to see the policy is implemented and to act upon any areas that give cause for concern. Parents should be reassured that the Welfare Officer of the club is always happy to discuss any relevant matter in confidence. It must equally be understood that the club might approach the Welfare Officer to discuss a matter with a parent.

It is important to appreciate that it is the Welfare Officer who should be the first point of contact if any matter of concern should arise about welfare issues.

The appointment of the Welfare Officer should be seen as a way the club views the importance of caring for our colts and protecting our adult members.

If any member, colt or parent wishes to discuss any relevant matter, please feel free to contact the Welfare Officer at any time. Name and contact details as follows: Julie Hesketh. Mobile/Text 07753 321250 or Julie.Hesketh@swlondon.nhs.uk

Please do not hesitate to contact and speak with or leave a message.
