

Sutton CC 59 Club

The 59 Club offers Sutton Cricket Club members an opportunity to help build up a fund earmarked only for Club development projects. The scheme is described below:-

Participants:

Any adult member of Sutton Cricket Club may take part. A member's adult family members or friends may also be included.

How the 59 Club works:

Each player is allocated one or more ball number(s) between 1 and 59 inclusive, upon the club receiving the appropriate entry fee.

Each week the player holding the same number as the Bonus Ball drawn in Saturday's National Lottery will receive a prize. This will be paid by Bacs at the end of each month in which the draw takes place.

The total prize money each week will be 30/59th of the total paid by players for that week, plus any rollover from the previous week. The winning sum will equate to 30/59^{ths} of the amount collected, rounded-down to the nearest whole £; e.g. 30/59^{ths} if there were 40 participants would be £20. If no player holds the winning number, three-quarters of that week's prize money will rollover and be added to the following week's prize money.

Players' Contributions:

For each ball number allocated, that player makes a donation to Sutton Cricket Club of:

- Option 1: £13 for 13 weeks;
- Option 2: £25 for 26 weeks;
- Option 3: £50 for 52 weeks.

Payment is should ideally be made via Bacs transfer or Standing Order. Bank details can be obtained from 59club@suttoncricketclub.com or treasurer@suttoncricketclub.com.

How to enter:

Please email 59club@suttoncricketclub.com with your name & contact details and details of which option you'd like to make.
